SUMMARY

M.Sc. Informatics graduate with hands-on cybersecurity experience in network analysis, vulnerability assessment, web security, Linux, and log monitoring. Familiar with Wireshark, Nmap, Burp Suite, Metasploit, and Nessus. Seeking an entry-level SOC Analyst or VAPT role.

PROJECTS

Cybersecurity Home Lab & Vulnerability Assessment

- Built a virtual cybersecurity lab using Kali Linux, Ubuntu, and Metasploitable2.
- Performed reconnaissance and vulnerability assessment using Nmap and Nessus.
- Practiced controlled exploitation and post-exploitation techniques using Metasploit.
- Documented findings, evidence, security impact, and remediation recommendations

Web Application Security Testing Lab

- Performed hands-on security testing of web applications covering IDOR, XSS, authentication, password reset, and access-control vulnerabilities.
- Used Burp Suite to intercept, modify, and analyze HTTP requests and responses
- Identified vulnerability impact and documented root cause and remediation recommendations.
- Maintained technical evidence and findings through GitHub documentation.

Linux Server Hardening & Monitoring– Capstone Project

- Configured and secured an Nginx web server in a Linux lab environment.
- Implemented firewall controls to restrict unauthorized network access.
- Developed a health-check script to monitor service availability and detect failures.
- Tested server configuration and documented security controls, monitoring approach, and production readiness
- improvements.

EDUCATION

Institute of Informatics and Communication (University of Delhi, South Campus) Aug 2024 – Jul 2026
M.Sc (Informatics)

Acharya Narendra Dev College (University of Delhi) Aug 2020 – Jul 2023
B.Sc (Hons.) Electronics

SKILLS

Technical Skills: Vulnerability Assessment, Web Application Security, Security Monitoring, Incident Investiga tion, TCP/IP, DNS, HTTP/HTTPS, Firewalls, Packet Analysis, Wireshark, Nmap, Burp Suite, Metasploit, Nessus, Linux, Windows, MITRE ATT&CK, OWASP Top 10, Python, Bash

Soft Skills: Communication, Teamwork, Problem Solving

CERTIFICATIONS & LANGUAGES

Certifications: TuteDude Linux, TuteDude Cybersecurity, TuteDude Python, TuteDude Ethical Hacking

Languages: English, Hindi
